

ESLAM AHMED RAMADAN

Training Operations Manager | L&D Professional
CIPD Level 5 Associate® | CHT® (Certified Hospitality Trainer)

Riyadh, Saudi Arabia • +966 568270944 • eslamahmed1112@gmail.com • [LinkedIn Profile](#)

PROFESSIONAL SUMMARY

Training Operations Manager and CIPD Level 5—certified L&D leader with 10+ years scaling workforce development across the hospitality and tourism sectors. Directed national programs that trained 45,000+ people across 13 regions in partnership with the Ministry of Tourism and the Human Resources Development Fund (HRDF). Expert in ADDIE (Analysis, Design, Development, Implementation, Evaluation) instructional design, blended and e-learning delivery, and building trainer capacity at scale — complemented by hands-on Specialty Coffee Association (SCA) and HACCP food safety credentials. Committed to advancing Saudi Vision 2030 through measurable L&D impact.

KEY ACHIEVEMENTS

- Scaled the Ministry of Tourism’s Tourism Human Capital Development Program to 45,000+ trainees across 13 regions, recruiting and managing 400+ specialist trainers.
- Delivered 2,500 HRDF-funded professional certifications across 13 regions in just three months.
- Designed and launched an inclusive training program for 160+ autistic trainees, driving measurable employment and social-integration outcomes.

- Strategic Planning & Budget Optimization
- Train-the-Trainer Program Facilitation
- Performance Analysis & KPI (Key Performance Indicator) Reporting
- Food Safety, HACCP & Quality Compliance
- AI-Based Training Solutions
- SCA (Specialty Coffee Association) Coffee Certification Training
- Microsoft Office Suite & Power BI

PROFESSIONAL EXPERIENCE

Training Operations Manager | Swiss Hospitality Co | 2023 – Present

- Directed and managed the Tourism Human Capital Development Program (Ministry of Tourism 2023–2024), overseeing training delivery for 45,000+ trainees across 13 regions through collaboration with Umm Al-Qura University.
- Recruited and managed 400+ professional trainers across hospitality, management, and service disciplines to meet national workforce development targets aligned with Vision 2030.
- Led the Professional Certifications Program (HRDF-funded), graduating 2,500 trainees in the tourism and hospitality sector.
- Designed and executed an inclusive training program for 160+ autistic trainees, supporting their integration into the workforce and contributing to measurable employment outcomes.

- Established KPIs, quality assurance processes, and reporting frameworks to monitor training effectiveness and ensure compliance with program standards.

Training Manager | STAR Training Institute – Swiss Hospitality Holding | 2022 – 2023

- Oversaw end-to-end training operations for 11,000+ trainees in 2022 under the Tourism Trailblazer Development Program (AHALINA Initiative).
- Supervised training teams, coordinated scheduling, and ensured consistent delivery quality across multiple training sites and facilitators.

Regional Training Manager | CAF Cafe Saudi Arabia | 2021 – 2022

- Conducted training needs assessments (TNA) with subject matter experts to identify performance gaps and define learning objectives for regional teams.
- Applied ADDIE instructional design methodology to develop and update training courses, incorporating blended delivery methods including videos, simulations, and role-plays.
- Created and maintained instructional materials including facilitator guides, participant workbooks, and e-learning modules.
- Identified future training requirements and designed curricula to address operational and leadership development needs.
- Conducted onboarding programs and on-the-job training for new hires, ensuring smooth transitions and compliance with operational standards.

Regional Training Manager | Starbucks Egypt – Alshaya Group | 2014 – 2021

- Led employee skill development programs across multiple stores, supervising Trainers and Departmental Trainers to deliver consistent Starbucks brand standards.
- Analyzed daily learning data and new joiner (NJ) performance metrics to continuously improve training effectiveness and reduce time-to-competency.
- Designed and facilitated Train-the-Trainer (TTT) programs, providing coaching, observations, and structured feedback to develop internal training capacity.
- Maintained accurate training records via the LMS console, ensuring full compliance with audit and testing requirements.
- Collaborated with operations teams on skill gap analysis, cross-training initiatives, and critical role training plans.
- Partnered with store managers and HR to support recruitment of Trainers and improve new hire retention and performance.

Branch Manager | The Coffee Bean & Tea Leaf | 2008 – 2014

- Ran daily branch operations, team supervision, and staff scheduling in a high-volume specialty coffee environment.
- Mentored and developed team members in customer service, product knowledge, and operational standards, building a culture of continuous learning.
